HIGHLAND GOLF CLUB

Established 1900

Dear Prospective Member:

Thank you for your interest in The Highland Golf Club of Shelton. We have put together an information package, which should answer most of the questions associated with joining the golf club.

Just a little background on Highland, which is not included in the attached documents:

Highland Golf Club is a privately owned (by the Active members) golf course, which was established in 1900. At present, we are offering a Special Membership option that we feel is very attractive to both new and seasoned golfers alike. Please review our Special membership offer and hopefully share the enthusiasm for Highland Golf Club that our current members have for the Club.

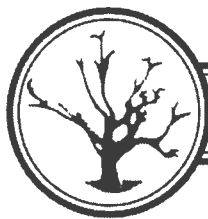

The Club is operated by a Board of Governors, which is elected by the Active Membership at the annual meeting in February. In season, the dining room is open for lunch, Saturday and Sunday from 11:30 AM to 3:00PM and for dinner Wednesday, Thursday and Friday from 5:00 PM to 8:30 PM.

There is additional information on our website: www.highlandgolfclub.com.

Again, please contact either of us directly if you should have any further questions. We look forward to hearing from you in the very near future.

Sincerely,

Jack Finnucan & Ron Refkofsky
Membership Chairmen
